

Site Furnishings & Drainage Solutions

Trench Drains

CT Distributors supplies trench drain systems in a range of width and depth options with an extensive variety of channel materials including galvanized, stainless steel, concrete, fiberglass, HDPE, polymer concrete, and cast iron.

Gratings

Our grating products include selections for all load ratings (ANSI A112.21.1M & DIN 19580), ADA compliance/Heel Proof specifications, high flow capacities, and offer countless decorative designs for unlimited grate and channel combinations.

Applications

Commercial (Shops/Barns, Car Dealerships, Wash Bays, Loading Docks, Airports), Residential (Patios, Driveways, Garages, Sidewalks), Municipal (Firehalls/EMS/Police Stations, Public Works, Schools, Plazas), Industrial (Food Processing, Distilleries, Kitchens, Factories, Warehouses), Greenhouses, Pools/Spa, and More!
